

Dear Teachers,

Thank you for all you do to educate and guide our youth! We are especially grateful for you taking the time to educate students on our Veterans! As we approach Veterans Day, I hope you find this kit helpful and use it as a tool to engage your students. We know that their letters and pictures will bring a smile to the Heroes we encounter every day at The Independence Fund. My book, Hero At Home, is another resource and companion to these activities that you can share with your classroom!

Thank you for being a Hero for our Heroes!

**Sincerely,
Sarah Verardo,
CEO,
The Independence Fund**
